## **EDMONDS PLEDGES TO WORK TO REPEAL HEALTHCARE VOTE**

MORRIS, OK – Daniel Edmonds, leading Republican candidate for Oklahoma’s Second Congressional District, pledges to work to repeal the healthcare legislation recently passed in the U.S. House. Edmonds has indicated that, if elected, he will author or sponsor legislation to repeal ObamaCare.

“Our current Congressman didn’t vote for ObamaCare, for which I commend him,” Edmonds said. “However, I challenge him to author or sponsor legislation to repeal it. The majority of Oklahoma does not want this government healthcare so we need a representative who will take measures to repeal the current legislation. I don’t believe our Congressman will initiate or support a repeal because of his support of Nancy Pelosi as Speaker of the House – support he’s shown in casting three votes in favor of her leadership.”

“If given the honor to serve my fellow Oklahomans in Washington, I will author or sponsor legislation to repeal ObamaCare. This legislation is wrong for America and a vast majority did not want this legislation to pass. We will work to repeal it and instead offer real solutions of availability, tort reform, and lower costs.”
