## **EDMONDS VISITS ALL 25 COUNTIES IN DISTRICT 2 IN 2009**

MORRIS, OK – Daniel Edmonds, the conservative candidate for Oklahoma’s U.S. Congressional District 2 seat, recently completed a tour of all 25 counties within the District. Since his filing to run for U.S. Congress in August, Edmonds has shared his message of liberty with citizens in each county through candidate forums, parades, county Republican meetings, group conferences, and one-on-one meetings.

“I’m excited with the positive reception the Edmonds 2 Congress campaign has received in all locales of the District. The citizens of the Second District are ready for a positive change in the way our federal government is acting,” Edmonds said, “and for a positive change in our current representation. Our message of liberty, limited government, respect for the Constitution, respect for life, and personal responsibility resonates with individuals who care about our country, our heritage, and our legacy.”

The upcoming year promises to be an exciting one as the primary election draws nearer. Edmonds plans to continue visiting with citizens in all 25 counties in 2010 and looks forward to meeting with as many as he can to share his vision for the Second District. Everyone is invited to visit <http://danieledmonds.org> to learn more about Daniel Edmonds’ Congressional campaign and to find ways to contact him.
